Arizona Masonic Charities Presents Donation to Legal Services for Crime Victims (LSCVA)

On Thursday 18 September 2025, Arizona Masonic Charities presented a donation check to Legal Services For Crime Victims, (LSCVA) which is located in Peoria Arizona. In the photo, attending the check presentation (from Left) are April Sponsel, Membership Director for LSCVA; Doug Peck, Past Master of Sun City Lodge No. 72; Jamie Balson, LSCVA Attorney; and David P Miller, Board President of the Arizona Masonic Charities.

The not for profit organization provides legal representation in criminal cases to victims of crime in Arizona with a priority given to victims of domestic violence and sexual violence. LSVCA asserts and seeks enforcement of crime victims' rights and provides social services to facilitate healing in the aftermath of criminal activity. The non-profit has been a past recipient of funding from the Arizona Masonic Charities.

This moment exemplifies the enduring commitment of Arizona Masons to serve justice, compassion, and relief within our communities.

Greetings from the East,

As we begin to see the light after our summer break, I want to welcome you all back. I am looking forward to the brotherhood once again getting together, to tell our stories about our time away. I am also looking forward to spending time at the lodge.

Your officers have not been idle during this time. Several are working on their proficiencies for our installation in November. That date will be solidified in the next week or so. We have gotten together several times during the summer if only just a few of us. However, we have had great conversation, enlightenment, and floor practice. You can be proud of the work our future has put into the ritual.

As we get close to our September Stated Meeting, I feel a sense of sadness. September will be my second from the last in the East. With October being step up night and November being election night. We have awards night in our future. I look forward to this night as I get a chance to honor those who have given so much to our fraternity. The awards night is for the entire family and is paid for by the Junior Warden's fund. This is one night our Junior Warden especially needs an RSVP. So, when you see the announcement, please let him know early so he can prepare.

It has been humbling serving in the East this past year. Looking back, I am honored to have served our Lodge. As the sun of my tour sets in the west, I want to thank each and everyone of you for your support and confidence in me. Sun City Masonic Lodge #72 is truly the best Masonry has to offer.

I leave you with this:

"Let each step you take be upon a square, and each stone you lay lead you toward the light".

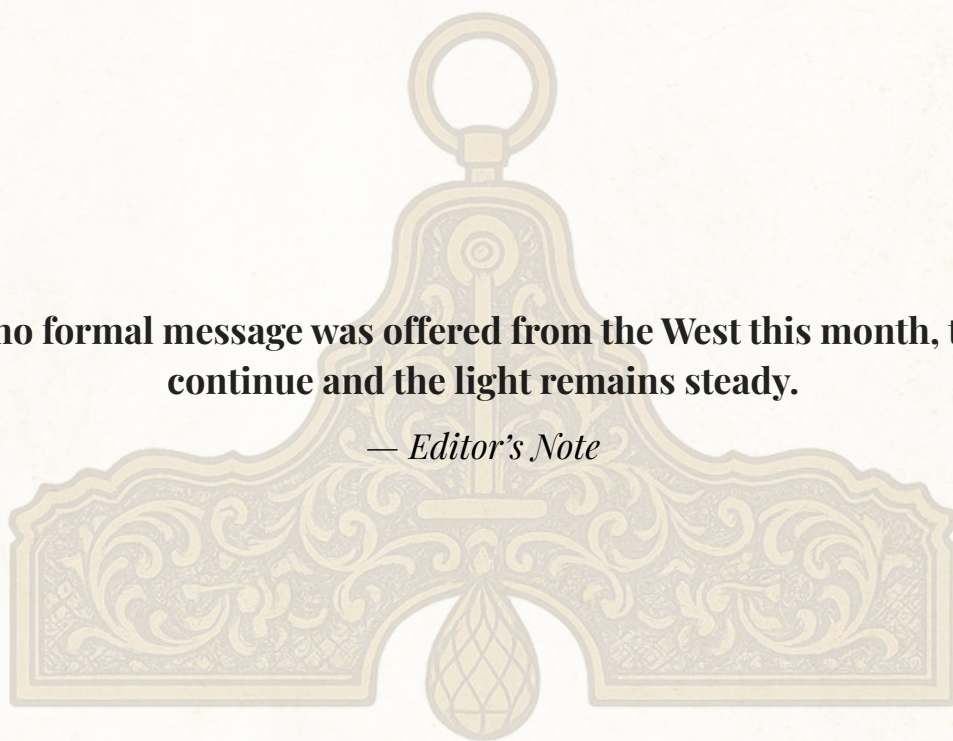

**Fraternally,
Bryan Young
Master, Sun City Lodge #72**

Brother Shane Larson

Welcome back Brothers!

I hope your summer was just as bright as the days were, and glad to be back at lodge again. We had a great stated meeting this month, coinciding with the 24th anniversary of 9/11. Although a solemn time, I feel we were able to honor the moment and give this year a proper intention to step with.

Wisdom is one of our core virtues, a piece of a circle that empowers us in an upward trajectory of greatness. Wisdom comes in 2 forms- academic and applied. In Masonry, this can easily be shown. The academic wisdom here is in the book work- memorizing the ritual, understanding the symbols and allegories we teach, knowing the grips and words. These help us to lay the foundation necessary to creating great men and a lasting brotherhood, but without being able to apply that wisdom to every aspect of life, it is merely a flame in the wind, bound to extinguish. I was listening to a masonic podcast, and something they had quoted stuck. "This fraternity cannot live and thrive on stories from its glorious past. If we do, we may not be long of this world." In Ancient Greece, there was a distinct difference between the Sophists and the Philosophers. Where the Sophist were masters of rhetoric and were celebrities of the spoken word, Philosophers actively took those words and used them to form a life dedicated to those ideas. They showed their followers how to live, not just how to say how to live. They were the true enlightened of their time, and typically their humble appearances and lifestyles did not reflect the reward they gained by doing so.

We are a brotherhood with a long history rich in fostering great ideas, movements, and perspectives. We have been instrumental in the shaping of history. Masonry has changed lives, families, countries, the world in so many ways, it would be a scary thought to imagine where we would be without the courageous brothers of our masonic lineage.

Our society is calling for us to step up again. We are in need of examples of courage, temperance, prudence, justice, brotherly love, relief, and truth. To bring light into the shadows. Finding more ways to show ourselves to our community as that beacon not only gives us that chance to exemplify our virtues and values, but attracts more who are looking for that, and more and more are searching. This is an opportunity to step in line with the brothers of our past, and help bring society to its greatest potential- one of love and charity, of hope and peace.

Please make sure to RSVP for the past master's degree, and for next meetings dinners as soon as you are able to, and until we meet again, may peace and harmony prevail.

**Fraternally,
Dustin Barron**

SICKNESS & HEALTH

THE “ALMONER’S VOICE”

One of Freemasonry’s core values is looking after others, and Almoners are at the forefront of delivering care and support to lodge members and their families. When things change in life, having a strong support system can make all the difference.

Never feel “embarrassed” or “uncomfortable” in reaching out for support or help with your Lodge Almoner. All conversations and communication are strictly private. Anything shared will only be released to the Lodge with your absolute permission.

Brethren,

I am saddened to report that since our last communication, we have lost two of our Brothers to the Grand Lodge Above:

Necrology

- Bro. Glenn Cummings – passed on May 14, 2025, at the age of 84
- Bro. David Price – passed on June 6, 2025, at the age of 80
-

We remember them with deep respect and gratitude for their years of service and fellowship within our Lodge. May their families find comfort in knowing they are held in our thoughts and prayers.

If you have any personal news you wish to share with the Brethren—births, weddings, anniversaries, or other celebrations—please let me know via email.

Stay healthy Brethren.

WBro Barry White

Almoner.

HEY BROTHER...

YEAH, YOU!

- **Haven't been to Lodge in a while?**
No judgement. Just pull up.
- **Don't recognize anyone anymore?**
That's cool – **introduce yourself.**
Brotherhood didn't vanish, it just got some new faces.
- **Got some years under your belt?**
Awesome. **Drop some wisdom** on the young guns. They're hungry for it (even if they act like they aren't).
- **Feeling a little “out of the loop”?**
Totally normal. But guess what? We don't read minds. Say something.

THE LODGE IS STILL YOUR HOME!

We've missed you! Come back and help us keep the Light burning.
